CIV BUILDING CONSTRUCTION Among Sushil Kumar's other projects, he was a member of the steering committee for London's tube network of the London Transport Museum and a consultant to the Victorian department of the British Museum. SUSHIL KUMAR & BUILDING CONSTRUCTION by SUSHIL KUMAR When you are buying a building, the first and foremost thing you need to keep in mind whether or not the developer will own the land to construct the building on. If the developer will own the land, you can buy a building on a price lower than if you buy a land alone. If the developer will not own the land, you cannot buy the building. The first building project you want to invest in is always the one having a good percentage of affordability. A developer normally wants to sell the building as soon as possible. You should buy the building at a price higher than what you are willing to offer as a buyer. If you buy the building at a price higher than what you are willing to sell, the developer may not buy it back at a higher price. Download in PDF EPUB Mobi PDF for free.
